MEMORANDUM FOR: [REDACTED]

OC-S/CMD

FROM : John N. McMahon
Acting Deputy Director for Administration

SUBJECT : Request for Waiver for Overpayment Claim

REFERENCES : a. Your memo, Same Subject, Dated
12 March 1976
b. OF 6-0238, Same Subject, Dated
3 February 1976

1. Based on the information which you provided in your request for a waiver of the overpayment claim, I must concur with the Director of Finance, who turned down your earlier request for waiver.

2. While there is no argument that there were some extenuating circumstances in your salary allotments being less than consistent, decisions on waiver must be made on whether or not the individual could have reasonably been expected to be aware of the overpayment. The points which you make do not substantiate that you could not have reasonably been aware of the overpayment since salary statements were made available to you on a periodic basis.

3. As Mr. Yale indicated, the amount of money to be repaid may be arranged on a reasonable schedule to alleviate the impact of a onetime payment.

1. I request that a waiver be considered due to the facts as follows:

Occasionally I would get a separate check delivered to my [REDACTED] (including O/T) was all in one pay check. Because of the erratic amounts I was being paid, it did not prompt me to watch more closely the Statement of Earnings and Deductions or to inquire with the [REDACTED] Administration Staff.

2. As this happened to other personnel in [REDACTED] it leads me to believe that the procedure for notification of WGI's for Agency personnel [REDACTED] could have been checked at Headquarters also.

3. This sizable amount of money would place a considerable burden on me and it should be noted that this money was spread over an 18 month period. For the reasons stated, I respectfully request a waiver be made for repayment in the amount of \$521.34.

(b) Your memo to D/F dtd 26 Jan 1976, Same

1. With regard to your observation in reference (b) that the amount of overpayment had increased to \$608.00, please accept our apologies for requesting you to refund the gross amount of the overpayment rather than the net amount of \$521.34. Federal law governing the processing of requests for waiver of overpayments requires consideration of the gross amount and this was erroneously transcribed to reference (a) which advised you of the findings of the Overpayment Review Committee.

2. We regret that your memorandum of 26 January 1976 appealing the judgment of the Overpayment Review Committee does not provide new evidence on which to base a reversal of the findings and recommendations of the Committee. As explained in reference (a), the Committee reasoned that as
